Ove-Marthin Granlund has for more than 30 years focused on tax- and corporate law issues, mainly restructuring and purchase/sale of companies, and change of generations in family owned businesses, mostly commercial property companies. He has deposited security for real estate settlement with the Financial Supervisory Authority of Norway. His assistance includes preparations prior to sales/acquisitions, negotiations, contract drafting, closing and settlement in property transactions, and all aspects of property developments like zoning plans, deallocation, and commercialisation.

Ove-Marthin is also board member in property and trade businesses.
