

Armin Mehaj

Associate

Armin Mehaj is an associate at SANDS office in Oslo, where he is part of the firm's Construction Group.

Armin graduated from the University of Bergen in June 2016. During his education he took a semester abroad, where he specialized in maritime law at the University of Southampton. Armin has experience as a trainee from the law firm Grette and the Norwegian Defence Logistics Organisation. Armin has also been a trainee at our law firm, where he under his final semester did his master thesis here, which was titled "Alternative Investment Funds – Definition and Consequences".
