

Ida M. Haro

Associate

Ida Marlen Haro is employed as a lawyer at SANDS' office in Tromsø. She works specialized with labour legislation, including questions related to the establishment and termination of employment relationships, negotiation of final agreements, employer's right to control, restructuring and downsizing processes etc. As a link to this, Ida regularly assists in matters regarding both juridical, strategical and reputation like character.

Ida also works with contract law, construction law, indemnification law and other adjacent fields within the business law segment.
