---

Fladmark is an associate in our real estate law team, and works within the field of construction law. She has broad experience from a wide variety of real estate transactions as well as from within the field of project development. In particular, Mrs Fladmark has advised on legal and strategic aspects of construction contracts.

Prior to joining SANDS, Mrs Fladmark gained valuable sell-side experience as a real estate agent, primarily working with commercial properties.

She did her degree in law at the University of Oslo with emphasis on tax and company law, graduating in 2011.
