Stein Hegdal

Partner | Lawyer admitted to the Supreme Court

Stein Hegdal has long experience from international and complex contracts, i.a. large fabrication and construction contracts and materiel acquisition.

He is also working with dispute resolution and litigation, real estate finance transactions and guarantees, sureties and bonds.

With his broad experience from various areas of law and from working in Germany, he is a valued and trusted advisor for businesses from German speaking countries.

He is admitted to the Norwegian Supreme Court.
