

Cicilie Sørum Gregoire

Senior Lawyer

Cicilie Sørum Gregoire is a Senior Lawyer and is part of the firm's Commercial property team.

Cicilie works with commercial real estate. She is specialised in planning and building law and infrastructure development, such as land acquisition, reimbursement claims and development agreements. Cicilie knows the public administration and political decision processes well.

Furthermore Cicilie has broad experience from advising within contract law, and particularly construction law. She is also familiar with the Norwegian Standard contracts NS 8405, 8406 and 8407.
