Corinne Silden Stephensen

Partner

Corinne Silden Stephensen is part of the firm's building and construction group. She works primarily with construction law and consulting law and has in-depth knowledge of the various standard agreements, including NS 8401, 8402, 8405 and 8407. She assists with legal advice and dispute resolution for the construction industry, for both building owners, contractors and consultants.

Corinne is working with counseling and dispute resolution within construction industry, for building owners, contractors and consultants. She has wide-ranging and broad experience in proceedings and procedure, including numerous years as a deputy judge.

Corinne was for many years an external examiner in legal subject for Norwegian School of Economics and Administration (NHH).
