

Lars Berge Andersen

Partner

Lars Berge Andersen is a highly experienced advisor related to national and international energy, oil, offshore and shipping activities, as well as international trade and industry in general. He is ranked as Norway's leading lawyer within offshore and oilservice, as well as Norway's best international lawyer (Norwegian Financial Daily's Annual Lawyer Survey 2021).

Lars has extensive international experience, in particular from China and London, where he has lived and worked as a lawyer for several years. But also from negotiations and offshore project work in Asia, the Middle-East, USA and Brazil. He was previously General Counsel and CAO in different companies within the Aker-group. Furthermore, he has more than 15 years of experience from assisting investments and operational issues for foreign investments in China and Chinese investments into Norway.

Expertise areas

Shipping, Offshore & Oil Service

Renewable energy

Defence & Security

Lars Berge Andersen is a superb disputes lawyer with extensive, multi-jurisdictional experience, having lived and practised in London and Shanghai as well as Norway. He has superb in-depth knowledge of the energy market, and impressive legal skills coupled with a real businessman's understanding. He inspires total confidence in his clients, and in addition to sound legal advice, he is fantastic and great fun to work with. A real star.
