

Lene Osen Osnes

Associate

Lene Osen Osnes specializes in maritime and transport law and has been working as a claims handler at Assuranceforeningen Skuld since 2019. During this period, she has managed a diverse portfolio of cases related to P&I and FDD, covering issues such as cargo, crew, pollution, collision, charter party disputes, and other contractual matters.

In addition to her role as a claims handler, Lene has also served as the Secretary General for YoungShip International for the past two years. YoungShip International is a prominent organization for young professionals within the maritime sector.
